

Youth Curriculum Suggestions

The curricula listed in this document are suggestions created by youth ministers who are part of the CBF Youth Ministry Network. The list is an example of the many resources including curricula, retreats, games, and lessons to which CBF Youth Ministry Network members have access. Our network was created to encourage, support, and challenge youth ministers in the Cooperative Baptist Fellowship as they walk along teenagers and their families in the local church to grow in their faith and in their relationship with Jesus. To find out more about the CBF Youth Ministry Network and how you can get involved, visit us at cbfymn.org.
